100+ Volunteers donating time and talent per season

$17,000+ Professional in-kind services and expertise donated per season

PROJECTED BENEFITS LEADING TO GROWTH

Move from our current space in a primarily residential area with low traffic to 544 Atlantic Blvd will place us in a key location with heavy commercial traffic and storefront visibility.

Access to a more diverse local population.

Full control over use of our space will create opportunities for programming beyond the regular six production season, and allow for expansion of children’s classes and adult workshops.

Better access to parking and walkable dining options are a more attractive draw for patrons.
